

Transact eAccounts

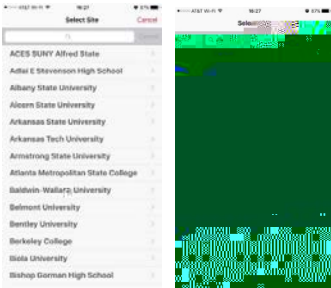

Your App for Managing your UNG Campus Card and UNG ID Accounts

Go to the APP Store, search for Transact eAccounts, and download your free App!

Transact Quick Guide

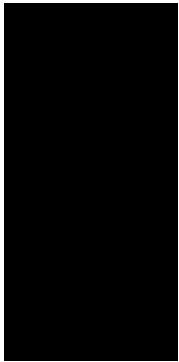

1. SEARCHING UNIVERSITY OF NORTH GEORGIA

After installing Transact on your Apple or Android device, tap the eAccounts icon to open the application. Select University of North Georgia from the initial screen by scrolling through the list or entering a search value to find the school. A sample search screen is below.

2. LOGGING INTO THE EACCOUNTS PORTAL

After selecting University of North Georgia, select the Login option for your account. Enter your UNG username/username

3. HOME MENU

The Home screen lists all accounts connected to your card. The Accounts may vary based on the configuration by your campus administrator. A sample home menu screen is the image below.
