

Degree Works Student Guide

Students may view Degree Works by logging into Banner and selecting Degree Works on the Main Menu. Listed below are the various components (blocks) of a Degree Works student audit. Please select the Frequently Asked Questions (FAQ) button for more detailed information and refer to the Legend below for a description of the symbols. The "*" symbol next to a course means the course has a prerequisite [listed in the catalog](#).

Legend			
(T) Transfer Class	K Credit by Exam	✓ Complete	☑ Complete except for classes in-progress
◆ Any course number	Grade Symbol See FAQs	✗ Not Complete	☒ Nearly complete - see advisor

1. Student Information block

- a. Catalog Year is very important as it determines unique requirements for each degree program.

2. Degree Progress bar

- a. This is an approximation since all requirements are weighted equally although some may take more time to complete.

3. Overall Requirements Summary block

- a. Summarizes the Core Curriculum, Major, Minor, and/or Concentration requirements as well as non-course requirements.
